Why was the dreamer given the dream?

excite her into digging deeper; to engage her in the mystery; to give her hope; to show her she is being singled out with a unique destiny (within the stars, just for her)

Class Interpretations:

(What would you say to the dreamer?)

This dream is to encourage you in your walk/intimacy with GOD so that he can reveal more of your calling and to let you know you are embarking on a new season. great start! hits the crux of dream and carries the encouraging feel of the dream. adding more of the details/info from the dream to give more specifics could help the dreamer get more understanding.

This dream is given to encourage you to find answers to the wonderful Mysteries God has waiting for you in your life. As you gain more intimacy with God you will understand more of His destiny for you, and although at times others close to you may think they are helping, God has an exact design especially for you to see and eventually understand.

perhaps adding something to add that "push/nudge" from God forward now... ie: He is calling you to seek it out.

God has called you to a specific destiny when you were born where he will reveal within the next year (age 34). your family (spiritual family) will help you to achieve this for the next season of your life.

Additional Comments or revelation for the dreamer:

better: even before dreamer the dreamer was born (plans before foundation of world) - not so much that it will be revealed in the next season - more invitation to seek it out
