

happened in dreamer's bed new influence

I walked into a room that had two showers connected to each other (catty cornered) A woman named Kim went to get in one because she needed to wash her hair. I went to get in the other one. The water was cold (because Kim was using up the hot in the other..I guess) A friend of mine (kathy) of many years, climbed in with me. She was making sexual advances towards me but I just wanted to shower and the water to get hot. I was not interested. She was behind me and sodomized me with an umbrella. It was very uncomfortable. The dream then switched to being intimate with my husband. He then sodomized me also. First with an umbrella and then himself. He actually said as he was doing it.. "this is the umbrella and this is me" It was very painful and I yelled for him to stop he was hurting me. He did. I somehow reached around and touched the umbrella.. I realized their was feces(yuck) on my hand. I ran to wash it off because i knew it could make me sick if it stayed there. I realize then my husband had it all over his face. This woman walked in...I wasn't sure if they had had an affair or if she was just obsessed with him. She straddled him and was leaning in to kiss him. I was disgusted thinking...she knows that he is with me.he was just intimate with me..and she doesnt care. I was grossed out about the feces(yuck)all over his face. I thought can't she smell that?? But she doesnt care..she wants him anyway. She leaves the room,and he tries to convince me that she is gone...he takes me to the parking lot to try and prove it to me but I knew she was still there waiting to meet him and she had not left. **not trusting--- (good!)**

covering

immediately wants to address impact to her relationships-- but recognized the fullness of what is being done to her

Need to help define the arena--- in a place of cleansing-- could be counselling, theophostic, sozo, pastoral counsel, prayer ministry, even private moments with God- (alone in shower)friends/ministry/ pastoral authority inserts themself into the process (shower) in a perverse and violating way

What would you title the dream?
(helps to unlock the essence of the dream)

"Move out!" "hidden trail of yuk" "the abuse gets messy" "abuse and affairs" "The church needs a bath!"

Who or what is the dream for?
(For the dreamer? For Intercession? Prophetic message for a group? Etc.)

this dream is for the dreamer

Compelling Dream Elements: (follow the revelation!)

Sodomy---- taking advantage from behind--(not face to face) hurts the dreamer uses covering as well as more intimate contact to abuse, unnatural perversion damaging to dreamer-- being used -- to gratify someone elses soulish desires betrayal of relationship-- really rape within a relationship--- rape is a crime of power/control violating to the dreamer not fruitful (can't produce a baby)

Kathy- literal? no represents a friend, or something has been involved with for many years- Kathy means holiness, purity-- unexpected source - something that should be trustworthy and good---- indirect violation this is why dreamer having trouble recognizing it

Husband literal? -- likely 2 fold-- representing spiritual authority (primary weight) and also playing self out in marriage

Woman-- spiritual influence-- wants what leadership has to offer--- leaning into that in spite of obvious heart (face) issues (attracted to crap!)- this is not a positive influence! usury begets usury!

behavior results in a lot of crap!-- evident to dreamer--- disgusted that people attracted to that--- eww!
